VỊT DONALD

Người dịch: ĐÔNG QUỲNH

1. Wow! My electric meter is spinning a mile a minute! 2. TICK TICK TICK

3. Can't afford to use electricity that fast! What's doing it — the toaster? Nope!

4. The TV isn't turned on, and the vacuum cleaner isn't running!

5. Nobody's using the egg beater or the blender or the shish-ka-bobber!

6. And my power tools aren't plugged in!

7. WELL! 8. Gee! It sure was smart to think of using the neighbors' heating pads to melt the snow off our badminton court!

VỊT DONALD

Người dịch : SƠN TÙNG

1. >Sigh!< It's not always easy to be Donald Duck!
2. Always broke! Always unlucky! That's my life in a nutshell!

3. I'm so tired of being the same old me! How I'd love to be someone else for a change!
4. Ouch! Just my dumb luck!

5. Ahh! It seems like I have a new disciple at my feet! But — is he ready?
6. CHANGE YOUR LIFE WITH SWAMI SALAMI AND GAIN INSTANT SUCCESS

7. Are you tired of yourself? Do you wish to become a new and better person?
8. That's exactly what I want!
9. I can uncover the new you! Not only one identity, but several new and better identities!
10. Really?!

11. Because you, my friend, are one of the few lucky, chosen ones, who have met Swami Salami! Are you ready?
12. Er... sure, but what...
13. You just follow Swami Salami's wonderful, foolproof, method and instant success will follow!
14. What do I do?
15. First you pay me the symbolic amount of \$999,95!
16. Hrm! This'd better be good!
17. It is! Here's your own copy of the PT! The Personality Transformer! A small but

powerful computer to wear around your neck!
18. I didn't know Swamis used computers!
19. I, Swami Salami, am the most modern Swami around!
20. The instructions are simple! Every time the PT buzzes, a new word appears on the display! You just act according to that word!

21. Let's say, if the word "MISER" appears, you act like a miser! If the word "BENEFactor" appears, you become generous — that's all there is to it!

22. You don't say!?

23. You'll never have to worry about anything anymore! The computer is linked up with cosmic truth! It always knows what to do!

24. But, remember... the PT may work in ways beyond your comprehension! So never doubt its message! Got it?

25. I t-think so!

26. Now leave! The PT is set to start tomorrow! Then you'll be free to discover all your hidden talents without making a single choice!

27. CHANGE YOUR LIFE WITH SWAMI SALAMI AND GAIN INSTANT SUCCESS

28. Gee! Maybe I've finally found the

solution to my problems! That Swami made sense! Can't wait till tomorrow!

29. A new day dawns in Duckburg —

30. Yawn! Morning at last!

31. Hm! Let's see what's on the display! "STRICT DICIPLINE", huh!?

32. STRICT DICIPLINE

33. In that case — high time to get out of bed!

34. It's already 6 o'clock!

35. WHOSH!

36. Wake up boys! Are you going to sleep the whole day away?!

37. Huh?

38. ZIP!

39. Who are you, and where's our real Unca Donald?

40. ...12... 13... Stop the nonsense and do your push-ups! 14... 15...

41. Ah! Refreshing isn't it? Time for a cold shower!

42. 1... 2... 3... >Groan!<

43. The usual load of greasy pancakes with butter and honey?!

44. Who needs breakfast!? It only makes you fat and slow!

45. I'm off to work! When I come home I want the house to be cleaned all over and your homework done!

46. What do you know!? He's leaving half an our too early!

47. DONALD DUCK

48. Oh! Time to change personality already!

50. It says "BRILLIANT INVENTOR"! I like the ring of that!

51. I think I'll do a little shopping!

52. Later, at work —

53. This is a skunk oil factory, not a junk yard! Why did you bring all that scarp, Donald?

54. Wait and see!

55. Your job is to put lids on the skunk oil jars — not to build silly contraptions!
 56. Tsk! Don't you recognize a genius at work when you see one?!
 57. Start working right now, or I'll fire you!
 58. I'm ready! Watch this!
 59. This little baby can do my job three time as fast as I can!

60. Emergency! Please help me here!
 61. Uack!
 62. Boss! We found someone at the assembly line who... who can think!
 63. Again?! This is the second time this year!
 64. You know how much I hate wasted talent! Make him a manager or some-

thing — and don't let this happen another time!
 65. This is your new office! Your salary will be trippled, of course, and you'll have your own private secretary!
 66. Not bad!
 67. Oh! End of the brilliant inventor! Who will take his place?
 68. BUZZZ!

69. It's time to be a "ROMANTIC FOOL"! That sounds interesting!
 70. Hmm! What would a romantic fool do on a day like this? Certainly not work!
 71. That'll be all for today! You can take the day off!
 72. So soon? B-but there's still tons of work to be done!

73. There are more important things in life than work! Why don't you invite Miss Stencil out on a boat trip?!

74. Who, m-me?

75. Actually, I've wanted to do something like that for quite some time now!

76. Really?! Well, he is our manager, so he probably knows what's best!

77. Meanwhile, at Daisy's charity club —

78. I suggest that today's fundraising will benefit poodles suffering from cat-fear! Do you agree, ladies?

79. Indeed a worthy cause!

80. Uakk!

81. CRASH!

82. Oh, sweet Daisy dear - everytime you'r near — I shed a happy tear!

83. The time is right — for a romantic night!
 84. B-but what about the traumatized poodles? >Giggle!<
 85. I didn't know you had it in you, Donald! Ti-hi! Where are you taking me now?
 86. Dinner? Dance? Your wish is my command!
 87. Later, that evening —
 88. What a great evening, Donald!

You've been the perfect gentleman!
 89. With my beloved by my side — life's an easy ride!
 90. DAISY DUCK
 91. Wow! What a day I've had! This little thing is pure magic! Swami Salami was right and I will always follow its instructions!
 92. We've cleaned the house, mowed the lawn and done all the homework! We hope the captain is satisfied!

93. Fine, boys! Fine!
 94. BUZZ!
 95. Hopefully you don't want us to repaint the house or anything like that!
 96. "LAZY TV-SLOB"!
 97. Don't worry, infants! Tonight I've got totally different plans!
 98. Ah! Basket weaving for beginners! Just what I wanted to see!
 99. Sometimes our uncle is a greater mystery than the Bermuda triangle!

100. The following morning —
101. The display says "WORKAHOLIC"! That's a promising sign for my new career!
102. Hurry up, Mr Duck! There's a crisis meeting about decreasing sales of skunk oil!
103. I'm all set!
104. Maybe the public has grown tired

of our skunk oil?!
105. Impossible! Our product is the best there is!
106. Perhaps our newest manager, Mr Duck, would like to express his view on the situation?!
107. Sure! I... Oh, just a second!
108. BUZZ!
109. "JUGGLER"?!

110. It would be interesting to hear some fresh opinions on the subject!
111. Oh well, Swami Salami said that the PT might work in mysterious ways!
112. Here we go! One-two...
113. Who hired this clown?
114. Er... as a matter of fact — you did! Heh heh!

115. And so —
 116. ...and stay out!
 117. Ouch!
 118. SKUNK OIL FACTORY
 119. They'll regret that! They don't know what they're up against!
 120. SLAM!

121. Donald! What are you doing on the ground?
 122. Hi Daisy! I... er... saw some very interesting... er... ants!
 123. A likely story!
 124. Oups! Time to change identity!
 125. BUZZ!
 126. "CHILD"?

127. Well, never mind! Thank you for a wonderful time last night!
 128. Come on, Daisy! Let's have fun! Yeeppppee!
 129. Huh?
 130. Yeeeeeee-haaaaa!
 131. Don't just stand there, Daisy! The swings are great!

132. Heelp!
133. Don't leave, Daisy! Check out my sand castle!
134. I don't get it! Yesterday I had nothing but success! Today everything goes wrong!
135. BUZZZ!

136. "GOOD FRIEND" it says!
137. This can only lead to something nice!
138. PLAYGROUND
139. Hello there, ol' pal! How about lunch at my house?!
140. Huh? Who are... er... Why not?!

141. I really think people ought to be friendlier to each other!
142. Like spoken out of my mouth, friend!
143. Here we are! My humble abode!
144. Fine place! Very nice!
145. I'll fix us a great lunch! Just relax and feel like home!
146. Oh, I'm starting to already!

147. Hurry up, the dope is playing "le chef" in the kitchen!
 148. Keep the van ready!
 149. Lunch is ready, my dear friend!
 150. Time to split!
 151. I've made smoked salmon and... Uack!
 152. My furniture!!

153. Ha ha ha!
 154. He cleaned me out completely! And I invited him!
 155. I've lost everything because of this thing! My job and my furniture! Besides... Daisy and the boys think I'm crazy!
 156. I've got to find Swami Salami again! I'm sure he can explain what went wrong!

157. Ah! There he is! Maybe he can adjust my PT or something!
 158. I mean, you won't believe what I can make them do!
 159. They really think this little thing is a miracle! All it does is throw out a word every now and then! Totally at random!

160. Of course, you can only pick them when they feel really down and out — otherwise they won't fall for it!
 161. Grrrr!
 162. Uack! Dissatisfied customer!
 163. Aren't you going to see what new identity it suggests?!

164. Nope!
 165. BUZZZ!
 166. Now look here! Please don't stoop to common violence! Let's make a deal!
 167. Grr! What deal?
 168. If you'll let that new identity decide how you should act, I'll give you your money back! I'll even double it!
 169. Hm! That sounds fair enough!

170. AHA!
 171. W-what does it say?
 172. It says "GO BERSERK"! So the PT does work after all!
 173. No! No! Don't believe in that! It's all totally at random! It's a fraud! Do you hear me?! A fraud!

9. Well... okay, ifb you say so!
10. Now, to the city dump!
11. Gollies! Why didn't I think of that?

12. What's the matter?

13. I guess thuh ol' crates overloaded!

14. CHUG! PUFF!

15. PUFF! CHUG!

16. Better pull over to the curb, Goofy, and let her cool off!

17. Uh-oh! There goes the radiator!

26. Going... going...

27. Hey, hey, this was a cinch!

30. Hold it! We have another bid!
31. No, Goofy! No!
32. Sold to the tall fellow here!
33. Hey! That's me!
34. BAM!
35. But, sir... I didn't want to buy anything... I just wanted to use your telephone!
36. You held up your hand, and that means you raised the bid five dollars! Now fork over ten dollars!

37. Gawrsh, mister, I don't have ten dollars.. not even one dollar!
38. What do you have?
39. Just a load of j—
40. Antiques! Right outside the door!
41. How about trading even-stein... the load of antiques for the moose head?
42. Why not? I'll have it unloaded right away!
43. Well, Goofy! Now, at least, you can carry your junk to the dump while your

car is getting fixed!
44. Whadda yuh mean, junk? I'm going to hang this moose head over my fireplace!
45. Auction
46. So, it was going to be a cinch, was it? Just buy the moose head at the auction and nobody would be the wiser!
47. All we gotta do is play it cool, Dum Dum!
48. AUCTION

49. Hi, there, mister! Moose McGuire's the name and I'm a collector of moose heads... How about selling me that one?

50. No thanks! This one goes over muh mantle!

51. I'll give you twenty dollars for it!

52. Look, mister! My friend told you he doesn't want to sell!

53. \$20

54. Now see here, buster, we want that moose!

55. Now, now, Dum Dum! Didn't you hear the gentleman? He doesn't want to sell it!

56. What with you? You going to let them get away with it?

57. Of course not! There's just about to be a slight accident!

58. Going to run 'em down, boss?

59. Of course not, Dum Dum! I'm just going to give them a little scare!

60. EEOW!

61. YEOW!

62. BEEEEPP!

63. Now we'll go pick it up at the bottom of the hill!

64. You're all brains, boss!

65. Oh, no!

66. BUM!

67. BUM!

68. Hey! Come back here, you moose head!
 69. Oh, my! Looks like those fellows don't give up easily!
 70. Hurry, Dum Dum! Grab it!
 71. BUM! BUM! BUM!
 72. Hey! That's mine! Give it back!
 73. Better do as my friend says or I'm calling the police!
 74. P-police?

75. My friend was just picking it up for you... I'm afraid we caused you to drop it!
 76. There you are, mister! No harm done, I hope!
 77. Er... I guess not... looks like it's in one piece, all right!
 78. Pssst... don't look back, but I think those two are following us!

79. >Gulp!< Yuh know, Mickey, I think somethin' fishy is going on!
 80. Quick, Goofy! Lock the door and let's take a look at Mr. Moose!
 81. Gawrsh! Wonder why they are so anxious to get this ol' moose head!
 82. I don't think it's the moose head they're after... it's what's inside!
 83. TINKLE! RATTLE!

84. Help me find a way to open this thing so we can see what's in it!
 85. No time for that Goofy! They are right outside! They'll find a way to get in pretty soon!
 86. Then we'd better call the police!
 87. No, Goofy, but if they are crooks we want to catch them with the goods! I have

a plan...
 88. Shortly —
 89. Guess you're right, Mickey! The only place for this ol' thing is the city dump!
 90. Too bad it didn't fit over your fireplace!
 91. Hear that, Dum Dum? Everything is working out for us!
 92. Right, boss! Want me to jump him

now?
 93. Don't be a fool, you idiot! You want to bring the cops in on this? Let's go!
 94. All we have to do is follow this creep to the dump and after he leaves we can pick up what he drops! There's no law against that, is there?
 95. Boss, you think of everything!

18

96. I guess this is where we part company, ol' fellow! Too bad I couldn't keep yuh!

97. CITY DUMP

98. PLUNK!

99. Come on, Dum Dum! Let's take a look at our loot!

100. Yeah, and this time it can't get away from us!

101. Oh, boy! I can't wait to get my hands on those jewels!

102. SMASH!

103. And we can't wait to get our hands on your, Slick and Dum Dum!

104. Awk! The cops!

105. We've been tricked!

106. These are the Van Snitch jewels, all right! We were pretty sure Slick and Dum Dum had stolen them, but we couldn't pin

it on them!

107. But how did thuh jewels get into thuh mmoose's head?

108. Don't you see? The crooks didn't take the jewels from the Van Snitch mansion... they heard the moose head was to be sent to the auction sop they hid the jewels in it...

109. ...and then they planned to buy it at the auction!

110. Too bad they had to bust muh moose head!
 111. Don't worry, Goofy! There's a reward waiting for you and Mickey down at the station!
 112. Thanks for the reward chief, but just put my share in the police welfare fund!
 113. Mine, too, all except this ten spot!
 114. What are you going to do with the

ten dollars, Goofy?
 115. I'm goin' back to that auction place! Maybe I'll find me another moose head!
 116. Shortly —
 117. And now lot 13, folks! What am I bid for this beautiful collection of priceless antiques?
 118. EEEOWWW!
 119. Sold! For ten dollars to the gentlemen in the baggy pants!

120. Huh!? That's me!
 121. BLAM!
 122. So —
 123. Well, Goofy! We're right back where we started! As soon as you car's fixed, we'll haul this junk to the dump!
 124. Whadda yuh mean, junk? Didn't you hear thuh feller? This stuff is priceless antiques!

37. Well, it's only minimum wage for you lads, but...

38. YIPPIE!

39. I guess that means you're interested!

40. To sell Slicker Images products well, you boys must become familiar with every gadget, gizmo, widget and gewgaw here!

60. A week later —

61. You'll love this! Trust me!

62. Why, just last week someone begged to buy one that was twice as complicated and half as useful as this!

63. Who would of thought these ducks would be so good at selling this stuff?

This is better than I even imagined!

64. This is the latest in stairstep exercisers!

65. And when you decide "Phooey!" exercise is not for you...

66. ...you can use it as a flower box in which to plant petunias!

67. Wonderful! I'll take two!

68. You know, I love your stuff so much, I own one of everything I see here! What do you have that's completely new?

69. I think I may have just the thing for you! One moment, please!

72. Độc đáo!

73. Ô không!

77. Ô được! Rất vui lòng!

80. Ta hiểu! Và ta cũng rất tiếc vì đã nổi giận!

70. Hmmm! What would he go for!

 72. Brilliant!
 73. Oh, no!
 74. I told you not to sell anything from

the special area in the back!
 75. But I have everything else from here! I want something new!
 76. How about some rare Duckburg Dynasty Ducktail? Gratis! My apology to you!
 77. Oh, yes! Please!

78. Donald! You mustn't sell anything from the special area unless someone specifically asks for it!
 79. I'm sorry, boss! I get carried away sometimes!
 80. I understand! And I'm sorry I lost my temper!

81. Wow! Was he upset!
82. Well, he warned Unca Donald not to sell that stuff!
83. How come the folks that do ask for that stuff know it's there?
84. I don't know!
85. Well, once a week like clockwork

someone comes in asking for something from back there!
86. Maybe there's a catalog for special customers only!
87. I think something stinks!
88. C'mon, Louie! This is the best job we've ever had!

89. Besides, what harm could ever come from a place as much fun as Slicker Image?
90. What a moron that duck is!
91. At least I won't have to put up with him forever!
92. When I take it on the lam, he'll be the perfect fall guy! Ha, ha!

1. I love going hunting with you, Father! 2. But now it's time to go home! 3. Perhaps Hiawatha brought us good luck! This was our most successful hunt ever!

4. Shiver! The wind is growing colder by the minute! 5. Yes, and it's started to snow! 6. We've reached the great lake! Our village lies just on the other side!

7. Wow! Look at those waves, Father! 8. It would be too dangerous to cross the lake in this wind! 9. And it's getting dark, too, Chief!

10. Then we'll have to spend the night here and hope for better weather in the morning! 11. Soon — 12. Fortunately, we have our blankets! And all the warm pelts!

13. The next morning — 14. Shiver! The wind is still strong! 15. And it's colder than ever, Father! 16. Look! The lake is covered with ice! 17. But it's probably too thin for us to walk on!

18. Then all we can do is walk around the lake! 19. That won't be easy! We'll have to carry the canoes and the pelts! 20. Father, maybe there's another way! I have an idea! 21. Eh?

22. After an hour of work — 23. Wind-driven ice canoes!! What a great idea! 24. At this rate, we'll be home in no time! Wah-hoo! 25. Not only does our Hiawatha bring us good luck, but he also has a good head!

A: Này, cậu mở nhạc to quá tớ chẳng làm được mấy bài toán gì cả!

B: Ồ! Thế thì đợi tớ nghe xong cậu hãy làm!

A: ?!?

Trúng... gì?

Buổi chiều, đang giờ xổ số.

Con (chạy vào, mặt tái mét): Má ơi, ba trúng... rồi!

Mẹ (mừng rỡ): Ba trúng độc đắc hả con?

Con: Không! Ba trúng... gió, đang xui ngoài sân!

Mẹ: Trời!

Truyện vui Anh ngữ

The air hostess was in the small kitchen at the back of the aeroplane preparing the trays for lunch when a little old lady came and spoke to her. "Could you please tell me," she asked, "where the ladies' lavatory is in this aeroplane?"

"Yes, madam," said the air hostess and smiled. "It is right at the other end of the aeroplane - at the front."

The little old lady went too far. She walked all the way to the front of the aeroplane, opened the door in front of her, and saw the captain of the aeroplane and the other officers. They were all busy at their work and did not see her. She went out again shut the door and returned to the air hostess.

"Oh, didn't you find it, madam?" the girl asked her.

"Yes, I did," said the little old lady. "But there are four men in the ladies' lavatory watching television."
